

UNIFIED CARRIER REGISTRATION PROGRAM

IMPORTANT NOTICE FOR ALL INTERSTATE MOTOR CARRIERS, FREIGHT FORWARDERS, BROKERS & LEASING COMPANIES

If you operate a truck or bus in interstate or international commerce, or if you make the arrangements for the transportation of cargo and goods, the federal Unified Registration Agreement (UCR) applies to your business.

The Unified Carrier Registration (UCR) Program requires individuals and companies that operate commercial motor vehicles in interstate or international commerce to register their business with Alabama and pay an annual fee based on the size of their fleet. Companies operating solely as brokers, freight forwarders or leasing companies are also required to register and pay a fee of \$39. Companies providing both motor carrier services as well as broker, freight forwarder or leasing services are required to pay the fee level set at the motor carrier level.

A "Commercial Motor Vehicle" is defined as a self-propelled or towed vehicle used on the highways in commerce principally to transport passengers or cargo, if the vehicle:

- (a) has a GVWR or GVW of 10,001 pounds or more;
- (b) is designed to transport 11 or more passengers (including the driver); or
- (c) is used in transporting hazardous materials in a quantity requiring placard.

You must register by **December 31, 2008** in order to operate in interstate commerce in 2009.
